

# PeopleManagement

GROUP INC.

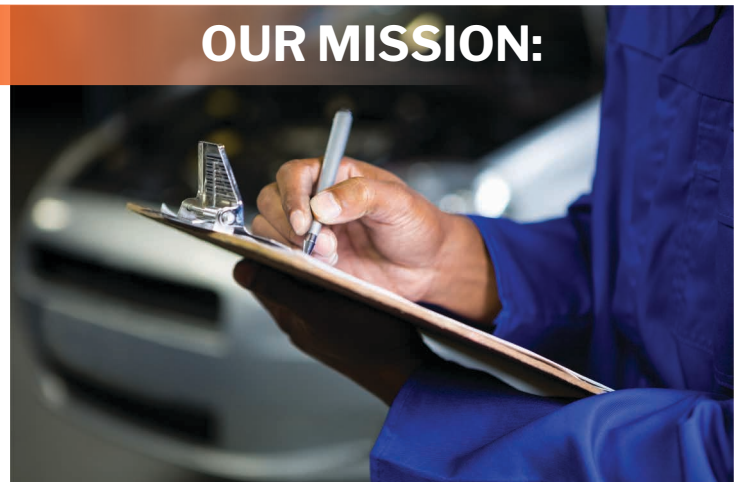

## Our **MISSION**, **VISION** and **VALUES**

We take the time to understand our customer's workplace reality so that we can create personalized and compliant HR & Health and Safety Programs that are easy to implement and maintain.

### OUR VISION:

### OUR MISSION:

Simplifying HR and Safety using innovative products and technology, so you can focus on what you do best – Produce, Manufacture, Service and Sell.

### OUR VALUE STATEMENTS:

- We live and act upon the concept that it is never the wrong thing, **to do the right thing**.
- We practice **honesty** and **integrity** in our actions and decisions.
- We work with our customers to find **realistic solutions** which they will be able to implement and be compliant.
- We pride ourselves on **building relationships** with our customers that are built upon family values.
- We always take a team approach which is **supportive, kind, friendly**, and **knowledgeable** with a willingness to help each other in continued growth and development.
- We prioritize keeping people **safe**.
- We pride ourselves in **helping our customers** because we understand that our customers are busy feeding the nation, servicing the customer and manufacturing products.
- We endeavor to make HR and Safety **simple** for our customers.
- We **continually invest** in technology and forward thinking products.
